\$1.50 PER YEAR

ANTIOCH, ILLINOIS, THURSDAY, MARCH 2, 1922

VOL. XXXV. NO. 26

DAUGHTERS OF G. A. R. ELECT IT'S OFFICERS

Change Name from Fortress No. 8 to Fortress Monroe No. 8 of Antioch, Ill.

MUSTER 7 NEW MEMBERS

The members of the National Daughters of the Grand Army of the Republic known as Antioch Fortress No. 8, Dep't of Illinois, met in regular meeting Monday afternoon at the Woodman hall and enjoyed a delightful afternoon and evening in work and social intercourse.

Seven new members were mustered into service as comrades in the Fortress. To aid and instruct in the ceremony of Muster, the Fortress Commander was fortunately able to secure the presence and assistance of Past Commander-in-Chief, Zella Corning; Past Commander Sarah Vance and Department Commander Mattie E. Garrett both of Chicago.

Aided by their encouraging words and efficient instruction and inspired by the gleaming folds of "Old Glory" every Comrade fell into line, and the intricacies of the floor work were soon understood and executed.

A new ruling of the department made necessary a change of name for the Fortress. Department Commander Mattie E. Garrett suggested the name of Fortress Monroe. This name was accepted by a unanimous vote of the Fortress which will hereafter be known as Fortress Monroe No. 8, Antioch, Ill.

The following is the list of officers elected for the present year: Commander, Mae Landon; Senior Vice Commander, Mary Watson; Junior Vice Commander, Alma LaPlant; Quarter Master, Katherine Darby; Chaplain, Nellie Ziegler; Patriotic Instructor, Lulu Chinn; Officer of the Day, Mary Runyard; Officer of the Guard, Jessie Runyard; Sentinel, Maude Story; Auditor and Registrar, Lottie Jones; Counselor, Lenora Hughes; Adjutant, Drucella Ferris; Musician, Susan Webb; Color Bearer, Dora Sabin; Erma Powles; Stella Beck and Olive Keulman.

Active membership in this order shall consist of the daughters, granddaughters and lineal female descendants of the honorably discharged Union Soldiers, Sailors and Marines and all who died in service during the war of 1861 to 1865 who shall have attained the age of sixteen years.

Honorary Membership of this order shall consist of all honorably discharged Union Soldiers, Sailors and Marines and all wives, widows and sisters of honorably discharged Soldiers, Sailors and Marines and all lineal male descendants of the aforesaid heroes of the war of 1861 to 1865.

The object of the organization is to perpetuate and honor the memory of the "Boys in Blue" who fought and died to "preserve us a nation" and to extend sympathy and aid whenever necessary to those veteran comrades now in the sunset of their lives.

"And as these Comrades answer to the call of 'Taps' and close their eyes in dreamless sleep, to awaken in the bright Beyond—may there be daughters of their own or those of some comrade to minister to their last request."

"And as the years roll away, and as the day set apart for Memorial Service returns each year, may the Daughters of the Grand Army of the Republic be ever ready to place on each grassy mound that marks a soldier's resting place, a wreath of immortelles in memory of our fathers and the flag they fought to save."

Braver men never faced a foe. To be known as a Daughter of the Grand Army of the Republic is an honor of which we are justly proud.

Packing House Opens

Down Town Retail Store

On March 1st the meat market conducted by O. W. Kettelhut was transferred to the Antioch Packing Co., who in turn will conduct it as their down town retail market.

This will be a benefit to the public as they will be able to buy their meats in town at the same advantage as at the Packing House.

They will carry a full line of choice meats. Mr. Kettelhut will remain with the company and act as manager for the retail market.

Speaks at M. E. Church Friday Night

Dr. C. C. Jesse

Mr. Jesse, who speaks at the M. E. Church Friday evening delivered the lecture "Democracy Divine or Devilish" on a chautauqua tour with William J. Bryan, Richmond Pearson Hobson, Dr. Morrow and others, and is considered one of the best chautauqua speakers in the country.

Springfield Gets Route 21 Plans—Will Ask for Bids

All plans for route No. 21 which is the Wheeling-Antioch road improvement, are completed and have been received in Springfield, and are ready for bids, according to word received today by County Superintendent Chas. E. Russell from G. N. Lamb district engineer. The project now awaits only of-way dedication from the property owners and Stanley Peot, of Vernon township, has obtained these in practically every instance except where the owners are away and no trouble is anticipated in obtaining the rest.

Supt. Russell also has plans for three sections of road in Springfield awaiting approval of the district engineer. These are for the Deerfield-Highland Park, Highwood, Half Day and Lake Zurich-Wauconda roads.

Lifelong Resident of Gurnee Passes Away at Age of 67

Robert Brain, 67 years old, well known and lifelong resident of Gurnee, died at his home in that village Saturday morning at 10:30 o'clock, following an illness of about two years death being due to pernicious anemia.

Mr. Brain was a bachelor and for many years conducted a 140 acre farm north of Gurnee, moving to the village twelve years ago, where he owned a home. His housekeeper, Mrs. Annie Hagman, had been in his employ forty-two years, and looked after him during his long illness.

Women's Club to Hear Mrs. Ninian H. Welch on "The Legislature of the Home"

The regular meeting of the Women's club will be held Monday, March 6th, at the hour originally decided upon, 3:15. This later time seems advisable owing to the fact that the speakers for the remainder of the club year are to come from the city and for them the 3:20 train is most convenient.

The speaker secured for this meeting is Mrs. Ninian H. Welch, who will talk on the subject, "The Legislature of the Home." Hostesses, Mrs. Darby Mies Smith and Miss Webb.

We hear much of legislation now days but are prone to think of it as a thing apart from the every day business of living. We forget that today in the homes of the land, its future citizens are being taught the first principles of good citizenship, obedience to law.

In a recent article from the pen of Mrs. Thos. G. Winter, president of the National Federation of Women's clubs we read these suggestive words:

"Citizenship is a far bigger thing

than the study of the structure of government or even than the agitation for better laws. We are in danger of over estimating law making in this country. What the United States needs more than she needs laws—is the law abiding spirit. When this spirit permeates the letter of the law we shall have order and not before.

We women are learning that citizenship is a harder thing than we first thought. It goes down into the very roots of life, but like all great things it is worth the price of energy wisdom and love, that it demands. Our chief job is to stir into activity that great dormant public conscience which is the final voice that cries "Thou Shalt!" or "Thou Shalt Not!"

Teaming for good citizenship and creating the law abiding spirit must begin in the home. Come and hear the message Mrs. Welch brings to the legislators of the homes in Antioch and the guardians of her future citizens.

PUERKEL SUMMER HOME AT CROOKED LAKE BURNS

Neighbors living in the vicinity of summer dwellings at Crooked Lake were awakened Wednesday night at midnight and noticed one of the cottages on the east side of Crooked Lake burning and proceeded to make an investigation and discovered that the newly built summer home owned by Mr. and Mrs. J. G. Puerkel of Chicago was in a mass of flames. The cottage was a six room bungalow.

Word was sent to the Puerkels in Chicago and Mrs. Puerkel notified her father D. D. Campbell of this village that their summer home burned.

Mr. Campbell drove to Crooked Lake and found that there was little to tell what kind of a dwelling it was.

The Art Jelden summer home was only a few feet from Puerkel's and the men started to investigate how this cottage looked on the inside, and found another fire started and going through the rooms as fast as there was live air in the room, otherwise if there was a little draft in the building it would have burned as the first one.

Upon interviewing Mr. Campbell we learn that both places were covered with insurance and that a thorough investigation is being made.

Unclaimed Letters at the Postoffice

The following letters remain unclaimed at the Antioch postoffice on Monday, February 27:

Miss Lizzie Bittles.
W. Flinn.
M. Johnson.
H. S. Miller.
Lawrence Peter.
Jas. Schilousky.
M. E. Shaffer.
Sirahn Bros.

COUNTY TRES. BRACHER ANNOUNCES COLLECTORS

Roy W. Bracher last week announced the names of the tax collectors for thirteen townships of the county, who on Monday started taking payment of taxes for 1921.

Receipts have been mailed to taxpayers of thirteen townships other than those along the North Shore, and receipts for personal property for Waukegan will be mailed out the first of the week. Receipts for Waukegan real estate will be mailed, and tax payers will be required to get them at the treasurer's office.

The township collectors and where located are as follows:

Township	Collector	Location
Benton	W. J. Bull	Zion City
Newport	T. Strang	Wadsworth
Antioch	J. C. James	Antioch
Warren	R. B. Strang	Gurnee
Avon	E. Harris	Grayslake
Lake Villa	D. R. Manzer	Lake Villa
Wauconda	A. S. Powers	Wauconda
Fremont	Frank Dolph	Area
Libertyville	H. L. Bracher	Libertyville
Cuba	M. T. Lamey	Barrington
Ela	E. A. Ficke	Lake Zurich
Vernon	M. A. Knoll	Prairie View
W. Deerfield	F. H. Meyer	Deerfield

Ancient Sulphur.
Sulphur is one of the oldest known elements. The ancient Assyrian alchemists regarded it as the principle of combustion on account of its inflammability, and termed it "brimstone," meaning, literally, burning stone.

Billions of Fish.
North Sea fishermen handle 10,000,000,000 fishes of all sorts and sizes, from the smallest eel to the big whiting, every year. The twin harks of Yarmouth and Lowestoft have alone received 90,000,000 herrings in one season.

20 Years Ago in Antioch

Thursday, March 6, 1902

A. N. Tiffany is this week in Waukegan in attendance at the meeting of the board of supervisors.

L. B. Grice and family have rented the Mrs. Edwin Richards house on Main street and will soon occupy the same.

Ernest Simons and H. Sheehan went to the county seat Monday as grand jurors at the March term of the circuit court.

March came midway between a lion and a lamb and will probably be a sort of hectic month, with storms and fine weather alternating.

Frank E. Runyard has bought three lots in Bock's addition and will build a house there during the summer. He has rented the Hill house and will occupy it until his is finished.

Oscar Savage and family, who have been living in Yorkville, Ind., have returned to Antioch to reside.

Town Team Wins From Union Grove—Play Here Friday

In what was probably the best game of the season to witness, Antioch's town team defeated Union Grove Tuesday 20-19 at Union Grove. The first half ended in 11-8 due to the slippery floor.

In the second half the Antioch boys went right after their opponents and took the lead early. The game saw-sawed along until the last two minutes of play when the Union Grove team took the lead 19-18. The game at this time was a whirlwind and in the last 30 seconds of play Ralph James shot in a basket that brought the crowd to its feet.

Carl Nabor was forced to retire in the third quarter due to an injury to his knee.

The whole team played a wonderful game last night, and with the continuance of this style of playing they should defeat Libertyville Friday, March 3, at the high school. There will be two games this evening, the second team playing the fast team from Zion city. A large crowd is expected to be on hand to root for the home boys.

The lineup:
James L. F. Callender
Folbeck R. F. William
Barthel C. Jones
Naber L. G. Crane
Smith R. G. Dunkirk
Westerville F.

A Patriotic Youth.
"Pa," said Willie, looking up from his picture books, "when God made the zebra why didn't he print some stars on him so he'd be a regular walking American flag?"—Boston Transcript.

ALICE E. SMITH IN RACE FOR SCHOOL HEAD

Will Oppose County Superintendent Simpson on the Republican Ticket

SCHOOL TEACHER 25 YEARS

The announcement has been made of the candidacy of Miss Alice E. Smith for the position of County Superintendent of Schools for Lake county.

Miss Smith after considerably urging on the part of her friends, finally consented to allow her name to be placed on the list and within 24 hours workers had 600 names signed to petition.

Miss Smith's friends are to open a very active campaign in her behalf and Mr. Frank T. Fowler of Lake Villa is to act as temporary secretary until a complete campaign organization is formed.

The temporary organization earnestly solicited the names of all Miss Smith's friends in the county and urge that they send their names in as quickly as possible to the temporary secretary, Mr. Fowler.

Miss Smith has been a teacher in Lake county schools for more than 25 years with the exception of one year.

Miss Smith says she will run on the Republican ticket and will oppose County Superintendent Simpson, who most likely will be in the field again.

Peter Fisher, Sr., Former Resident, Dies in Kenosha

Peter Fisher, Sr., 73 year old, county superintendent of schools in Lake county between 1881 and 1889, died at his home in Kenosha at 6 o'clock Friday afternoon, following an illness of the last six months with heart disease.

Mr. Fisher was an educator and lawyer, was prominently and favorably known through the middle west. After his final term as county superintendent in Lake county, he moved to Kenosha and became active in the practice of law.

Mr. Fisher was born in Somerville, N. J., September 21, 1848, being a son of Mr. and Mrs. Valentine Fisher. In 1851 the family moved west, spending that winter in Kenosha. The following spring they moved to Antioch where they purchased the famous Fisher farm which still remains in the family.

Mr. Fisher was educated in the rural schools, later attending high school in Waukegan. In the spring of 1865 he enlisted in the 151 Illinois infantry, and was in command of that unit when it went to the front.

In 1872 Mr. Fisher became a teacher in the Lake county schools, becoming county superintendent in 1881. He studied law and entered a law practice with Judge D. L. Jones, of this city. At the close of his final term in 1889, he left Waukegan and went to Kenosha where he became associated with the late James Cavanagh in the practice of law. In 1897 he resigned from that law firm and began an independent practice of law.

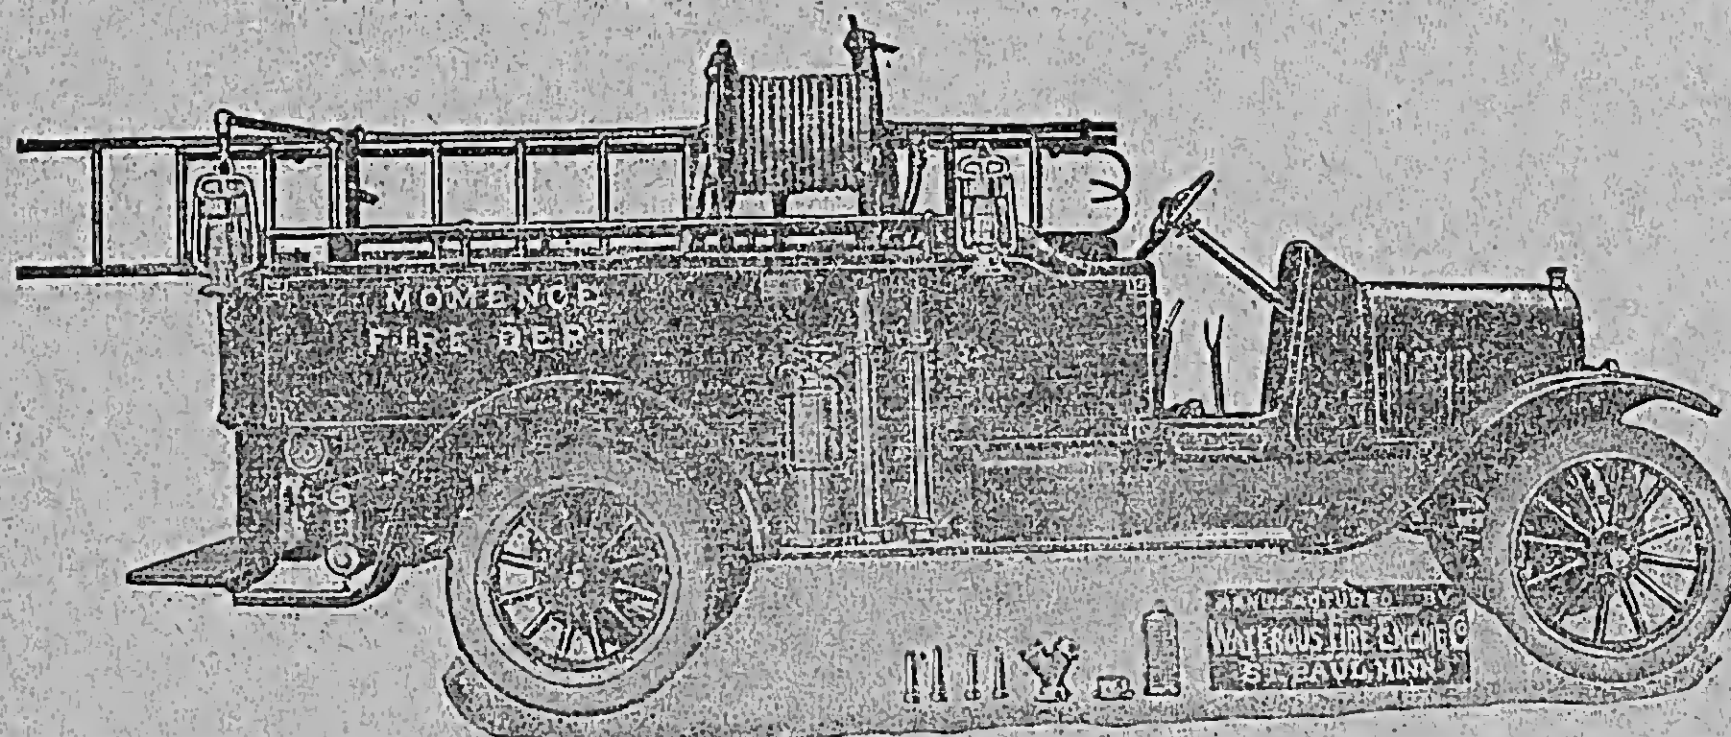

He is survived by a widow, Mrs. Emma F. Fisher, and a son, Peter Fisher, Jr., and one sister, Miss Jennie Fisher, of Chicago, and four brothers, Dr. John Fisher, of Chicago; Valentine Fisher, of Colorado; Ben Fisher, of Kenosha; and James Fisher, of Antioch. The funeral was held at 2:30 o'clock Saturday afternoon from the home. Burial was in the cemetery at Kenosha.

ANTIOCH SALES & SERVICE REPORT LARGEST SALES

The Antioch Sales & Service report that February was the busiest month they have had in the delivery of cars since incorporation. Twenty trucks, cars and tractors being sold, making them the first in the list of Ford distributors in town of 2000 in the Chicago district.

Wayland W. Dayton, formerly of the Trevor Stock Yards will take charge of the office of the service station this week. Mr. Dayton is a stockholder in the company.

Antioch's New Motor-Driven Fire Truck

Few Brief Essential Points Concerning the New Triple Combination Fire Engine

"The power plant" and, in fact, the entire "Chassis" (one-ton, latest model T, worm gear drive, truck, on which the apparatus is mounted) is standard Ford Motor Company equipment, with its established reputation for reliability and dependability.

The hose body has a capacity of 800 feet 2 1/2-inch fire hose and is provided with suitable brackets for carrying a 20-foot extension ladder, the sections of which may be used as single or roof ladders.

Through 1,000 feet 2 1/2-inch fire hose the following work will be performed:

Using one 1-inch or one 3/4-inch nozzle, a stream of water will be thrown in still air a horizontal distance of 125 feet, or using two 3/4-inch nozzles, two streams will be thrown a horizontal distance of 90 to 100 feet; or using three 3/4-inch nozzles, three streams will be thrown a horizontal distance of 75 to 90 feet.

The chemical tank contains 35 gallons of chemical mixture, and is provided with 150 feet of 3/4-inch chemical hose. The fire pump is utilized to throw this chemical on the fire. The tank is also arranged for renewing charge without interfering with operation.

The great and decided advantage of a fire pump added to the equipment is easily apparent. Road speed, when fully loaded, 5 to 25 miles per hour. Net weight 3,800 pounds, gross weight (with full load, including six men) 5,500 pounds.

Antioch '5' Wins Two Games From Libertyville High

Antioch's high school teams won two games from the fast Libertyville fives at Antioch last Friday evening. Both games were very close and exciting throughout, the home team displaying the best brand of ball displayed this season.

The first game of the evening, the lightweight teams, was won in the last half of the game. At the intermission Libertyville was leading, 6 to 1. Shortly after the whistle blew for the second half, Antioch made four points in less than a minute, and a few minutes later went into the lead with another basket and were never overtaken during the remainder of the game. The game ended with Libertyville taking the short end of a 9 to 8 score. Tiffany replaced Elms in the second half, and with Sheehan as a guarding mate held Libertyville to a lone basket in the last half. Kennedy played an exceptionally good game for Antioch, making several difficult shots.

The big game of the evening also ended in Antioch's favor, 20 to 16. Portius and Hook, the much touted stars of Libertyville were well taken care of by the guarding of Ames and Gray, while Spafford and Chinn played wonderful ball for the winners.

Libertyville was well represented with fans and a great rooting match between the two schools kept the game more interesting. It was almost 9:30 before the games got started, due to the breaking of one of the supports of the west basket. Art Rosenfeldt was on the job with his welding machine and the double defeat of Libertyville was delayed for more than an hour.

This afternoon Antioch is playing Hinsdale high school at a tournament of high schools of Chicago and suburbs at Oak Park. Waukegan, Libertyville, Riverside, Evanston and New Trier are some of the other teams entered in the tournament.

With the brand of ball Antioch played against Libertyville they have an excellent chance of winning the title.

High Spots in Career of Pitcher Ed Walsh

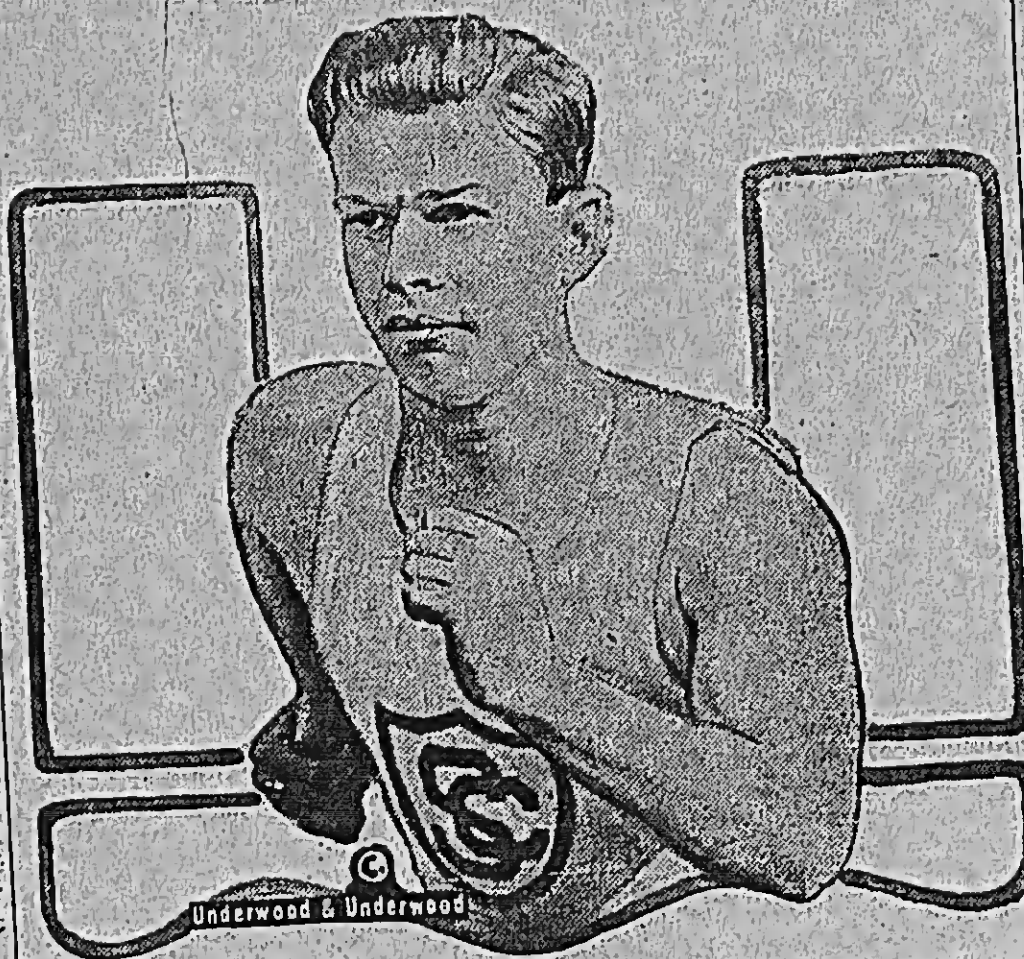

May 19, 1892—Born in Plattsburgh, N. Y.
At the age of thirteen started work as coal miner.
July 10, 1902—Pitched for Meriden, Conn., his first professional game.
1904—Joined Chicago White Sox.
1906—Became spitball pitcher and earned regular berth with White Sox.
1908—Took part in 90 games and pitched 604 innings, both American league records.
October 2, 1908—Struck out fifteen Naps in eight innings but lost game, 1 to 0.
1915—Last year as pitcher.
December 15, 1921—Appointed American league umpire.

TERMS GOLF CHILD'S SPORT

M. Briland Tells Lloyd George, British Premier, Game is Fit Only for Schoolboys.

Golf has no attractions for M. Briland, former premier. The "hug" that finds so many victims in America and England failed to affect him when he tried the game at Cannes under the tutelage of Mr. Lloyd George. It has become known. "It is a game for schoolboys," M. Briland told the British premier, who is an ardent golfer. "Englishmen never cease to be children. Cannot you enjoy a country walk without hitting a silly little ball?"

CHARLIE PADDOCK WON'T COMPETE IN EAST DURING SEASON OF 1922

Charlie Paddock, the world sprint champion and record title holder, now announces that he will not compete in the East this year. It was recently stated that Paddock would come on for the Penna relay carnival and other events, but the other day it was definitely learned that Charlie will stick to the Pacific Coast.

Hugh Hirschen, president of the Wilco Athletic association, which held its annual indoor games at the Thirtieth Regiment armory, Brooklyn, wired Paddock inviting the sprinter here. He received the following wire: "Paddock will not come east to compete in any games. Flail!"

DOUGLAS HURLS BEST GAMES

Star Spitballer of McGraw's World's Champions Credited With Two One-Hit Contests.

The last year in major league baseball was productive of no perfect game and only four one-hit games.

Phil Douglas

Phil Douglas, the star spitballer of the world's champion Giants, was credited with both one-hit games in the senior circuit, against Pittsburgh and Philadelphia.

Joe Bush, of the Red Sox, let down the St. Louis Browns with a single hit on August 1 and Warren (Rip) Collins of the Yankees, allowed only one hit to the White Sox on August 7.

LANDIS WILL VISIT MINORS

Baseball Commissioner Accepts Invitations to Attend Pennant Raising Ceremonies.

Commissioner Landis at Buffalo told the minor league men he expects to spend considerable time visiting them next season. The judge since then has been showered with invitations to pennant raisings and such. He has accepted a number of them and a flag raising in the minors next season with the judge will be considered as a bottled sort of event.

EXTERMINATOR TO STAY HERE

Owner Kilmer Lets It Be Known That Great Cup Horse Won't Be Shipped to England.

Foreign laurels will not come to Exterminator. The great cup horse will be kept in America. It was the intention of his owner, Willis-Serge Kilmer, to ship him to England to race in distance classics, but the Birmingham sportsman has reconsidered. At present the famous gelding is at San Brar court, where he will do light training preparatory to being shipped to Maryland. As he went into winter quarters a thoroughly sound horse, it is believed he will have another successful season.

IS SKILLFUL HOCKEY PLAYER

Will Tilden II, Tennis Star, Is Not One-Sport Athlete—Plays Swell Game on Ice.

William T. Tilden II, holder of all the highest honors that tennis competition affords, is not a one-sport athlete. He is a hockey player of a high degree of skill, as he has demonstrated of late on Philadelphia rinks. Tilden played with the team from the Ger-

William Tilden II.

maetown Cricket club in a recent league match with the Swarthmore Hockey club. He was the rover and did some keen hustling in all parts of the rink. He played a good game, though he handled his hockey stick at times as though under the impression that it was a tennis racket. His opportunities of shining were not plentiful, however, as the score of 11 to 0 against his team testified.

Allendale Coach Has Baseball Plan for County League

Coach Armitage, of the Allendale farm school, who Saturday night defeated the Y. M. C. A. Comrades in a basketball game, has plans under way for the coming summer months to start a county base ball league among the younger generation of the several towns in the county large enough to support teams of this size and who have been prominent in the sporting activities of the county previously.

If these teams are brought into a league, it will include, besides Allendale, teams from Libertyville, Waukegan, Antioch, Grayslake and several others in the lake regions, and probably two teams from Waukegan, which will include a probable team from North Chicago. Armitage has been talking the matter over with officials from the Wilson sporting goods store in Chicago, who have agreed to arrange the schedule and other matters should the league be undertaken.

Base ball among the amateur teams of this class is expected to boom during the coming season and to possess a large following, Armitage's plan is therefore in keeping with the dope of the leading sporting circles, and locally, his plan would help stimulate interest in all athletics. His farm school would be one of the principal contenders in the league, for they have continually demonstrated their powers in the athletic activities of Lake county.

Sporting Squibs of All Kinds

Harvard has twenty-seven coaches for its crews.

Kentucky Derby will carry \$50,000 added money for the winner this season.

Yale baseball nine may play the Auburn collegians in their Southern trip in the spring.

Ernest Baker, of Detroit, one-hand pocket billiard player, pocketed 82 balls in an exhibition.

It will soon be time for the annual epidemic of inflated heads among the baseball player fraternity.

The Indianapolis club announces the purchase of Harry Purcell, outfielder, from the loan club of the Central league.

Hugo Bezdek will continue to coach Penn State, he announced the other day in denying a rumor he would coach Minnesota.

William Von Bernuth, who coached at Cass Tech, last fall, has resigned as physical instructor to return to Purdue university.

The Pacific Northwest association's water polo championship is to be held at the Spokane (Wash.) A. A. C. for the first time in many years.

Tom Thorp, new coach for the New York university football team, is to be paid the highest salary every given a football coach in the Metropolitan district.

Frank Rooney, first baseman, who was a big noise with the Portsmouth Virginia league team in 1920, but refused to play last year, will be back on the job in 1922.

More than one-fourth of the students at Amherst college played tennis during the past spring and fall, 127 out of an enrollment of 510 indulging in the racket game.

New York yachtsmen are getting tuned up for next summer's races against the British boats, although the baseball opening comes between the preparedness and the eventuality.

DUROC JERSEY HOG SALE

Perhaps you have all seen my sale being dated February 15th. For various reasons the sale was postponed until

MARCH 9th, at 1:30 P. M.

It is with pleasure that I am inviting you to attend my sale, and whether you buy or not, we would like to have you with us that day. The sale will be held at

FERD. ROBER'S GARAGE
at Burlington. One block southwest of the Post Office, in a warm building.

I am offering in my sale 41 good bred sows. They are bred to Wonder's Giant King 377191, Royal Standard Pathfinder 365809 and Sensation Winner.

Items of Different Events
Concerning News

BRIEFS OF VARIOUS NEWS

A plot to rob the "million dollar mer-
candise special" on the Chicago, Mil-
waukee and St. Paul road south of
Rondout was frustrated Sunday when
detective Claud Johnson and Earl Cues-
ler, in the employ of the railroad, open-
ed fire and wounded Edward Dell, 17,
2545 Augusta avenue, Chicago. The
abducted frightened away four of Dell's
companions.

The war department has ordered
Camp Grant razed by June 30, 1922,
which will mean the sale of approxi-
mately \$5,000,000 worth of building
equipment and supplies there to the
public in the near future.

The road and bridge committees at the
Kenosha county board was in session
making plans for the sale of the bonds
to provide money for the work on the
Geneva road. The bonds in the amount
of \$165,000 will bear five per cent inter-
est. It is expected that the bonds will
be sold before the first of April in order
to have money ready for the work with
the opening of spring weather.

The premium list for the fourth an-
nual dairy and agricultural show, to be
held at Waukegan on March 14-17, in-
clusive, has been mailed to the farmers
of the county. Extra copies of the
book may be obtained by writing to the
county agent at Waukegan.

The conductor of a freight train at
Harvard was fined \$5 and costs on
February 2, by City Marshall Nelson
for blocking certain crossings in the
city over 20 minutes. This should serve
as a warning to all railway men not to
block crossings unnecessarily.

The first paving bids in Wisconsin
were opened at West Bend last week.
Twenty-one contractors were present
and bids averaged twenty-five per cent
lower than last year. No contracts
were awarded.

Mr. and Mrs. Wm. Topel of Fulton
ave., Waukegan, are patriotic and
their son, who was born 2-22-22, has
been named George in honor of the
father of his country, whose anniver-
sary is celebrated on that date.

St Ignatius' Church Notes

Next Sunday, the first Sunday in
Lent, the services will be as usual,
church school at 9:45 in the morning,
and morning prayer and address at 11.

On Saturday afternoon at 4:30 in
the afternoon the children's service
will be held. At this time the new
stamp system will be inaugurated.
Each child will be given a stamp al-
bum and each week a stamp will be
given him to place in the album. At
the end of lent, if he has a complete
book, he will be given a cross at the
services on Easter day. The older
people are most cordially invited to
attend this service also. Each child
in the church school should not only
come himself, but should bring some
other child with him.

On Thursday evening, March 9, a
week from this Thursday, the Rev. E.
J. Randall, the new secretary of the
diocese of Chicago, will make his of-
ficial visit to the mission. He will
conduct evening prayer and address
on Thursday evening and celebrate
holy communion on Friday morning.
He has especially asked that there be
a meeting of the finance committee
after the service on Thursday evening.

All of the members of the church
are reminded of their solemn obliga-
tion to keep lent with the three-fold
lenten rule: Pray, fast, give. Attend
the services of the church just as
much as possible, especially holy com-
munion and the Sunday services. Use
such a measure of fasting and ab-
stinence as is more especially suited
to extraordinary acts of devotion.
Give not only money for the work of
the Kingdom of God, but give our-
selves for Christ and the church. Let
us make this lent mean more to us
than any other lent has ever meant
before. Just how much it will mean
to us depends entirely upon ourselves.
Let us make it our duty during this
lent to be absolutely faithful ourselves
in the attendance of the church ser-
vices, and also to bring someone else
to the realization of the eternal glory
and love of God, as manifested to us
in His holy church and its holy sacra-
ments.

Spokane Owns a Mountain.
Spokane is said to be the only city
in America to own a mountain. It is
thirty miles from the city and is
called Mount Spokane.

DAIRY FACTS

HARVESTING SUPPLY OF ICE

Few Tools Are Required on Average
Farm and It Is One of Real
Paying Crops.

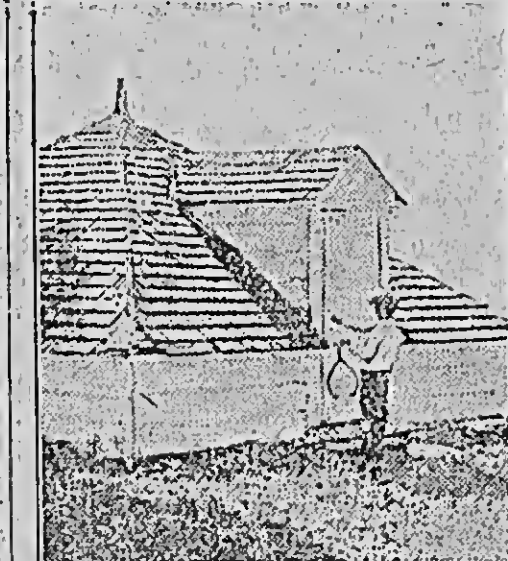

(Prepared by the United States Department
of Agriculture.)
Cooling milk on the farm will reduce
milk losses. All that is required is a
supply of ice and a little care. Natural
ice can be harvested on farms where
85 per cent of our milk is produced,
and it is one of the real paying crops
of the farm. Few tools are required,
and for the average farm two saws,
two pairs of tongs, two ice hooks, one
peeled bar and one straight board for
marking, should be sufficient.

The first thing to do is to provide
a place to store the ice. If ice is scarce
and hard to put up, it would probably
be well to build an ice house, plans for
which may be obtained from the dairy
division, United States Department of
Agriculture. When ice is abundant
and easily harvested it may be cheaper
to disregard the shrinkage factor and
store it in a pit, cellar, shed or other
place, and insulate it with sawdust or
shavings. If this is done 20 to 50 per
cent additional ice should be provided
to allow for shrinkage.

Where cream only is to be cooled
allow at least one-half ton of ice per
cow. For cooling milk, allow 1½ tons
per cow. These quantities should be
enough to leave a margin for house-
hold use; but it is better to have too
much than too little. Whenever prac-
ticable build the ice house in the form
of a cube, allowing 45 cubic feet of
space for each ton of ice.

The pond or stream selected for cut-
ting ice should, of course, be free from
dirt or contamination from barnyards,
privies or refuse heaps. The ice should
be kept clear of snow, as snow retards
freezing. When it has frozen to a suf-
ficient depth mark off the surface into
cubes of the desired size, marking sure
that the lines form rectangles. Cut out
a strip of ice (with the saw) the width
of the cake desired, and force this strip
under the ice, thus forming a channel
to the landing and loading place. Large
strips may then be sawed off and float-
ed to the landing, where they may be
cut up into cakes. These cakes are
then hauled to the storage place and
packed in as close together as possible,
and all cracks and air spaces filled in
with sawdust. Cakes that are cut
squarely and are uniform in size and
shape pack together with less air space
and are convenient to handle.

The cost of ice is small, and the
work generally comes during a slack
season. There is little reason there-
fore why every farmer in the natural
ice section should not have ice with
which to cool his dairy products, and
to make such delicacies as ice cream,
ice tea, iced buttermilk, iced fruit and
vegetables, etc., possible on the farm.

Almost Any Old Barn or Shed Can Be
Converted Into a Suitable Icehouse.

fore, why every farmer in the natural
ice section should not have ice with
which to cool his dairy products, and
to make such delicacies as ice cream,
ice tea, iced buttermilk, iced fruit and
vegetables, etc., possible on the farm.

COW TURNS FEED INTO FAT

Great Care Should Be Exercised in
Selecting Fats and Starches, Giv-
ing Much Protein.

If a dairy cow is inclined to lay on
fat, there is a very definite step to
be taken. First, use great care in
selecting her feed, thinning the fats
and starches, and feeding heavily on
protein. If she still turns her feed
into fat instead of milk, let her have
her own way, and prepare her for the
fulfillment of her destiny—the packing
house.

CLEANLINESS MAY AID HEALTH

Fowls Are Shut Up During Winter
Months and Suffer If House Is Not
Cleaned Often.

In the summer time the poultry keep-
er is naturally inclined to slight clean-
ing the poultry house, as the fowls usu-
ally have the run of the farm. In the
winter, however, the farm flock is shut
up, and its health can easily suffer on
account of neglect to keep the house
clean.

USE PULLETS FOR BREEDERS

Only Those Fowls Which Have Proved
Heavy Layers in Winter Should
Be Selected.

If some pullets must be used for
breeders, only those which have laid
heavily during the winter should be
selected. The heavy layer among the
pullets is said to be a comb, pale skin,
good width between pinbones, soft
shinbones, and at least four fingers
body depth.

Prize Essay Contest for the Public Schools of Illinois

The principal object of the competi-
tion is to encourage original inves-
tigation and research, and bring to
light and preserve historical material
new neglected and in danger of being
forever lost. The contest is to be made
through counties of the state, each of
the one hundred and two counties be-
ing regarded as a unit, and one essay
from each county will be considered
for the state prize.

The subject of the essay shall be
"Pioneer Women of Illinois."

1. No person now living may be
chosen as the subject of the essay.
2. Any pupil in the public schools
of Illinois from the eighth to the
twelfth grades inclusive may enter
the contest.
3. It is required that the essay be
written by the pupil contesting with-
out help from any person in its com-
position.
4. No essay should be over 2,000 words
in length.

The prize essay will be published in
Journal of the Illinois State Historical
Society. Other essays will receive
honorable mention and may be pub-
lished. Do not fold essays.

Address all inquiries to Mrs. Jessie
Palmer Weber, Secretary Illinois State
Historical Society, Springfield, Ill.

of original documents or contempo-
rary letters, diaries and newspapers
may be consulted by the writer.

Accuracy in the use of dates and ci-
tation of authorities is urged.

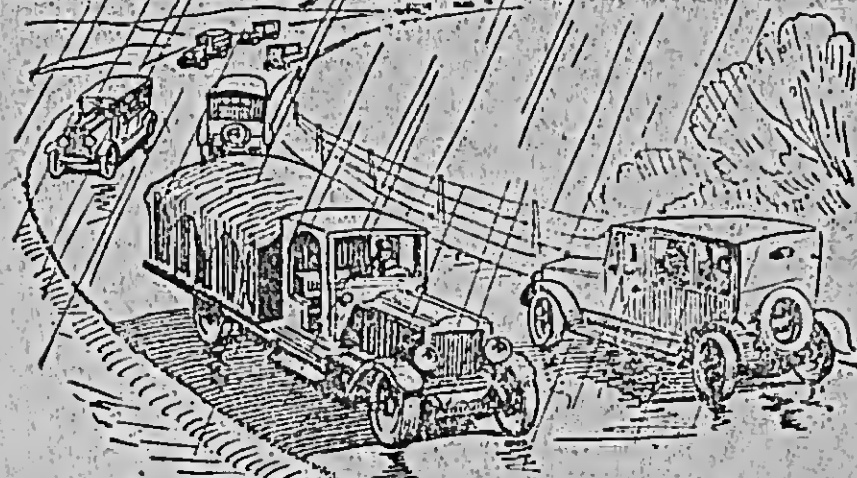

Contestants are advised to write
simple idiomatic English and not to
attempt fine writing. Avoid the use
of slang and provincialisms. Pic-
turesque phrases, good anecdotes, no-
vel ways of looking at things, words
in use during the time of the events
described, but now obsolete, when
taken from original sources add piqua-
ncy and flavor to the essay, and
should be used.

Teachers are requested to make
the writing of the prize essay a part
of the course in English, as well as
history, and to lend their active in-
terest in promoting the contest. A
gold medal suitably inscribed will be
given to the winner of the first prize
in the state, and a silver medal to the
winner in each county.

The prize essay will be published in
Journal of the Illinois State Historical
Society. Other essays will receive
honorable mention and may be pub-
lished. Do not fold essays.

Address all inquiries to Mrs. Jessie
Palmer Weber, Secretary Illinois State
Historical Society, Springfield, Ill.

365 Day Road Service

(National Crop Improvement Service.)

The United States Department of
Agriculture has for many years insis-
ted that the farmer's problem is not so
much to grow greater crops as it is to
market those crops at a profit.

A great deal of money is being spent
upon co-operative effort and the stand-
ardization of goods. Market news has
been collected and disseminated at
great expense and yet, in spite of all,
the direct marketing from the country
has not proven to be the success
hoped.

One of the main reasons is that
when the weather is bad and produce
becomes scarce in the markets the
price goes up, but the farmer has been
powerless to supply this demand and
when the roads again become passable
other farmers were glutting those mar-
kets and in consequence, instead of
reaping the reward of a good price,
the same old condition becomes com-
mon and the best laid marketing plans
explode.

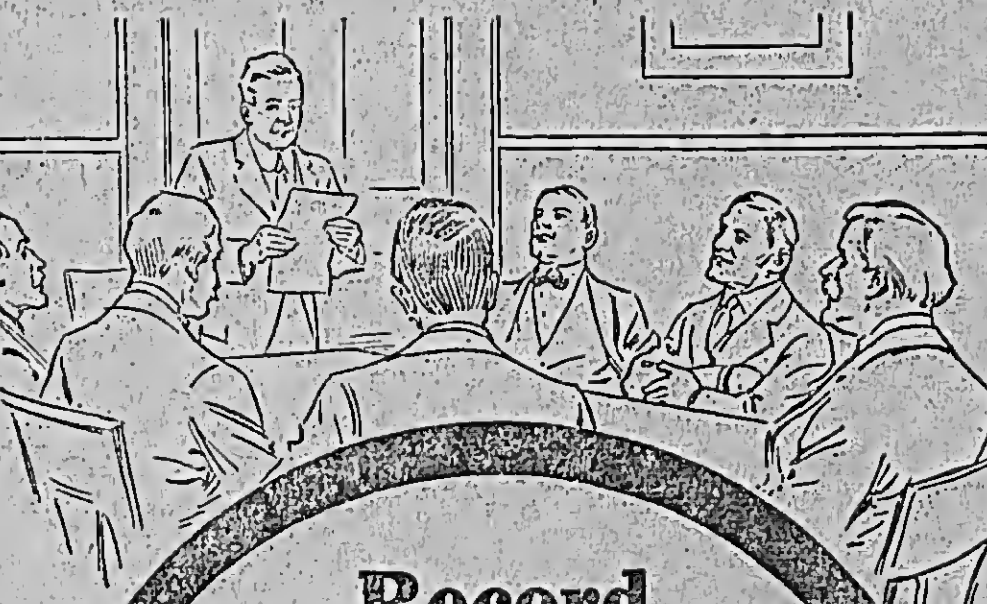

Illinois has a very generous fund
with which to build roads.
The highway engineers naturally

have selected the main traveled roads
for the first new construction, but the
outlying roads to the farms will, unless
something is done, remain in the same
old disgusting condition every time it
rains.

No matter what a good road may
cost, it will prove a good investment.
The merchants in the smaller towns
could well afford to build a reinforced
concrete highway for ten miles out
every road if they would figure the
losses they now stand every time the
farmers cannot come to town.

In a great many parts of Illinois,
especially in the soft prairie regions
and where there are numerous swamps
and small lakes, it is necessary to do
more than to build an ordinary con-
crete road.

The foundation must be properly
constructed, the drainage and grading
done in a scientific manner and then
it would seem a pity in surface that
road, that a steel fabric reinforcement
should be omitted, because with the
growing use of trucks those roads will
be pounded to pieces in a shorter time
than is pleasant to contemplate.

Record Warrants Faith

The reports of this bank
show progress and successful in-
vestment. Strict adherence to the bank-
ing laws, careful transaction of the
business and honest consideration of
our depositors' interests go to make
this institution a safe, substan-
tial and reliable depository.

Our record justi-
fies the faith of our
great number of
depositors and
insures protection.

BROOK STATE BANK
ANTIOCH, ILL.

"THE GREATEST LOVE" COMES TO THE CRYSTAL

Ambition, love, mystery, the sordid
side of theatrical life, and mother love
and trust are the ingredients which
Edward J. Montague has used in the
new Select picture, "The Greatest
Love," which comes to the Crystal this
Friday.

Vera Gordon is magnificent as the
mother who with infinite pains builds
up the fortunes of her family, only to
see them topple over when she believed
her work was accomplished and she
could pass the remainder of her life in
peace and prosperity.

In removing her daughter from the
poverty-stricken squalor of the East
Side slum, Mrs. Lantini believed she
was also removing her from temptation
and danger. That evil is not a question
of environment was proved to her at a
time when it seemed as if her cup of
sorrow was overflowing.

Oakland School

The old Jones school, or Oakland as it
is now called, one mile east of Leon
Lake is being torn down, as a new
building has been erected to take its
place.

This old building has been on this site
for sixty-one years. On September 18,
1861, the directors of school district
number thirty-one met and decided to
buy one-half acre of land from Mr.
Wm. Eddy for fifty dollars for school
grounds.

Mr. Martin Burdick built the school
house for three hundred seventy-two
dollars and fifty cents. Mr. Robert
Minto built fourteen rods of fence
around the school lot for one dollar and
twenty cents a rod. The winter term
commenced in December with Mr. A.
Benedict as teacher at twenty dollars
a month.

Two years later the term was length-
ened from six months to eight months.
For the following summer term they
hired Miss Shepherd for eight dollars a
month. Mr. Emory Adams received
twenty dollars a month for the follow-
ing winter term.

Some of the other teachers who
taught here are: Mrs. Mary Beachler,
J. M. Coults, Eliza Judd, Miss Whipple,
Annie White, Sarah White, John White,
Mary Hughes, J. W. Yule, Nettie Fays,
Nellie Paddeck, David Alinto, Mr. E.
Smith, Mary Kerr, Miss Belle Pope,
Frank Blakesly, Clinton Curtis, Agnes
Kerr, Mary Elsie, Annie Elsie, Leola
Thain, Emma Thain, Clara Stedman,
Martha Hall, Genevieve Webb, Irene
Kennedy, Tina Weise, Ona Thorpe,
Anny Moise, Bertha Siver, Cora White,
Rena Wells, Annie McCredie, Tessie
Cunningham, Pearl Cleveland, H. P.
Hilbish, Hester Goldy and Mary McCann.

This building was used until the fall
of 1921, when a brick building was
erected by John Dupre of Antioch. At
this time one-half-acre more land was
purchased from Mr. Duse for two hun-
dred dollars. The old building was sold
at auction on the twenty-third of De-
cember for one hundred dollars to Dan
Sheehan, who is now tearing it down
in preparation to moving it to his farm.

Counsel and Help.

They that won't be counseled, can-
not be helped.—Proverbs.

Want Ad DEPARTMENT

FOR SALE—Norland seed oats, some
barley, also good road horse. Chas.
Griffin, Antioch. 26w2

FOR SALE—1921 model, Dort tour-
ing car, run 3380 miles, good tires and
everything in al condition. Inquire of
Leslie Crandall. 25w1

FOR SALE—Good work mare, weight
1300 for \$100.00. Art McGreal.

FOR SALE—Bay mare, weight 1300
pounds. E. J. Flanagan, Antioch.
Phone 165J1. 25w2

Just received a fine lead of draft
horses, Geo. Wedge, Farmers line.

Baby chicks. Lowest prices. Full
blooded stock. Best breeds. Catalog
tells how to raise them and make hens
lay. Postpaid. Request a catalog,
Farrow Hirsch Co, Peoria, Ill. 8-161f

FOR SALE—A six-room bungalow on
North Main. Inquire of Mrs. Jehn
Martin, Antioch. 23w2

WANTED—Young women and men
to learn stenography or salesmanship
at home. Big demand. Typewriter
furnished. Free Employment Service.
Write for free literature on Course you
prefer. Federal Extension University,

Probably Sticks, at That.
To permit thorough cleaning a win-
dow has been patented that slides up
and down, swings back and forth hor-
izontally on a pivot in its center and
opens sideways on hinges.

Good Printing

THE kind of printing that
pays dividends is the
kind you should have.
Pale, muddy, poorly arranged
printed matter is worse than
none. The quality of your
business is often judged by
the quality of your stationery.
Inferior printing gives an
impression of cheapness that
is hard to overcome, while
good printing carries with it a
desirable suggestion of quality.

We produce only Quality
Printing. Whether you want
an inexpensive handbill or a
letterhead in color, if you
order it from us you will be
sure of getting good work.
We have the equipment and
the "know how" that enables
us to get out really good print-
ing—printing that impresses
people with the good taste of
its users. That is the only
kind of printing that

first payment on Antioch's New Fire Truck

Tickets \$1.00 Refreshment Stand War Tax 10c

High School Happenings

Editor-in-Chief Beulah Drom
Junior Class Anna Kret
Sophomore Class Ada Chinn
Freshman Class Edith Edgar

On Monday, Feb. 27, the Sophomore English class organized a literary club. "The Sophomore Inquirer." The board consists of Leola Savage, Ada Chinn, Dwight Drom, with Lester Nelson as secretary. The reporters are Leola LaPoint and Emil Lubkeman. This board will direct our daily work, the club meeting every other day. The program for Wednesday consisted of oral themes and were as follows: "Traveling around the world from Antioch and back to Antioch without money." Emil Lubkeman. "The Different Types of Dancing." Ardis Grimm. "Aeroplanes in the War." Dwight Drom. Chairman, Albert Herman.

All the students will be glad of a vacation Thursday and Friday because of teachers' institute. The institute will be at Lake Forest on Thursday, Highland Park Friday and Waukegan on Saturday.

A solid geometry class has been started after school three nights a week. One week from Friday night, the Juniors give their class play "Clerence." Watch the Antioch News of next week for the time, place, price, etc. We are expecting you.

Mary Runday was absent Monday.

The students, who overslept after the masquerade, were entertained by Mr. Bright either after or before school.

Thursday the Physical Training class had a lesson in running and jumping.

The Freshmen are reading "Silo Marner and Cranford" in English.

The loom for weaving rugs is almost ready for use.

The hair of one of the unknown Freshmen boys became much longer after an assembly period this week. Beware Freshmen!

Can anyone inform us as to what was the necessity of Zeke and Chinn eating at school Tuesday noon?

Saturday the byword was "Did you see the game last night? Why of course A. T. H. S. won. The score was 16 to 20 for the first team and 8 to 9 for the second." Our teams are very proud of their victories and so are we. The most we can do is to cheer them on and we hope that every one of the townspeople will also stand back of the boys at the tournament. Mr. Chinn has given the students a fine offer for the tickets to the game. We hope everyone who can will be at the game with Hinsdale on Thursday at Oak Park.

Antoinette Smart was absent Monday.

Mr. Bright went to Chicago Tuesday to make arrangements for the tournament. He will meet the boys in the city.

The big reputation of Tangle has been made by doing what other medicines failed to do. S. H. Reeves.

Local and Social Happenings

Raymond Webb was a Chicago passenger Saturday.

Miss Viola Kubaert is visiting with her aunt, Mrs. Winifred Hoff and other relatives at Milwaukee this week.

The Ladies Aid will have an all day sewing at the Methodist church, Wednesday, March 8. Picnic dinner at noon.

Marriage licenses were issued last week at Waukegan to Chas. O. Hartnell of Salem, Wis., and Pearl Longman of Trevor, Wis.

Leslie Crandall and family were very much surprised Monday evening when a number of friends gathered and gave him a birthday surprise. The evening was enjoyed by all present.

C. R. Thorn moved this week to his farm on Main street. Mr. Mathews and family who has been occupying the place moved into the Thorn bungalow on Ida avenue that was vacated by Mr. Thorn.

About twenty of the village young folks gathered together on Tuesday night and proceeded to give Ernest Clark a birthday surprise, and it sure was a surprise. When they arrived at the Clark home and found that trusty rural carrier had bid the world good night and was fast asleep when the guests arrived—and all had a splendid time.

The dredge belonging to Stearns-Pregitzer Company and being docked in front of the Pregitzer home at Grass Lake started to fill up with water and a call was sent in to the local fire department for help. Some of the firemen responded with the pump, but nothing could be done until Saturday afternoon when the ice around the dredge was broken, enabling the dredge to loosen itself.

Tickets for the big time at the Methodist church tomorrow night are selling like hot cakes.

There is not a single portion of the body that is not benefited by the helpful action of Tangle. S. H. Reeves.

Notice

At the request of my friends, I have decided to become a candidate for the office of assessor of the town of Lake Villa, subject to the will of the people. If elected I pledge myself to discharge the duties of the office to the best of my ability.

Respectfully,

E. A. Wilton.

It is an opportunity of a life time to hear Doctor Jesse. He is known from Ocean to Ocean and from the Lakes to the Gulf.

Notice

My office days will be Thursday and Friday all day. Office with Dr. H. A. Beebe. Teeth extracted by gas. For appointments call 29, or Farmers' line. DR. N. S. HANOKA.

We believe in Tangle and so will you if you try it. S. H. Reeves.

Regular monthly meeting of the village council next Tuesday evening.

St. Ignace Guild will hold an all day meeting at the home of Mrs. H. S. Roberts on Wednesday, March 8.

Covers were laid for twelve at a gathering of friends of Miss Dunham Tuesday afternoon at four, the occasion being Miss Dunham's birthday.

Piano pupils of Miss F. E. McLaughlin of Burlington, Wis., will be heard in recital at the Antioch grade school Friday evening, March 3rd. All friends are cordially invited.

A message was received here this morning by friends of the death of Mrs. Dave Cushing of Chicago, who passed away this morning. The Cushings formerly owned a summer resort on the north shore of Fox Lake.

Gloria and horrors will be revealed in "Democracy, Divine or Devilish" at the Methodist church tomorrow night.

You get your money's worth when you buy Tangle, because it produces results. S. H. Reeves.

Have you got your ticket for tomorrow night? Dr. Jesse.

Her Chance

Pete Rushing, who is taking singing lessons, told his wife the other day that some time in the future his voice might keep the wolf from their door. She said she was sure of it, if the wolf ever heard it.—Arkansas Thomas Cat.

Grade School Notes

Charles Alvers

Lake County teachers are enjoying an unusually good program at the mid-year institute being held Thursday, Friday and Saturday of this week at Lake Forest, Highland Park and Waukegan. The speakers are of national reputation: Hon. F. G. Blair, Springfield, Ill.; Hon. Peyton Smith, Boston, Mass.; Miss Charl Williams, President N. E. A., Memphis, Tenn.; Dr. C. L. Lord, President I. S. T. C., Charleston, Ill.; Dr. Jesse H. White, University of Pittsburgh, Pittsburgh, Pa.

Among the topics to be discussed are: "Five Planks in an Educational Platform," "Some Current Problems in Public Education," "The Elements of Individual in Education," "The Tests of the Teacher," "Motives in School Work," "Symbols," "What Shall We Do Now," "Desultory Reading," "Personal Traits," "The Habit of Succeeding."

There was a good attendance at the Parent-Teacher association meeting on Thursday evening. The seventh and eighth grades gave a play entitled "Murdering the Language." Mrs. Alice Hyatt Mather gave a very interesting talk which showed clearly the evils of cigarette smoking. The exhibit of work in the various rooms was much enjoyed by the visitors.

Robert Savage has moved to Montana.

Examinations next week based on the work of the last three months.

Mrs. Henry Herman visited school Friday.

The four upper grades are spending some time this week looking at the Illinois Centennial set of one hundred stereographs of the state. We wish to thank the people who so kindly loaned us stereoscopes.

Theresa Hay and Myrtle Norman had some very good oil paintings on exhibition at our school. They are working under the direction of Mrs. Stanton.

The first and second graders have made a "Children's Hour" poster.

Lillian Bartlett, Helen Burnett and Laurel Van Patten are on the sick list.

Methodist Episcopal Church News

SUNDAY SERVICES:

Sunday School	9:45
Morning Service	11:00
Epworth League	7:00
Evening Service	7:45

Everybody is "just dying" to hear Doctor Jesse's Friday night.

More of the scholars in the Sunday school are getting the habit of studying the Sunday school lesson every day. Many find the daily studies of the Sunday school lesson a good scripture study for their morning watch period.

Reports are that tickets for the great lecture on "Democracy, Divine or Devilish" are selling fast.

The Epworth league is pushing forward as a going concern. Seventeen were enrolled as tithers at the league meeting last Sunday evening. The league held a very enjoyable social Tuesday evening this week, the men being the hosts and the ladies the guests. They all had the best kind of a time.

Doctor Jesse's whirlwind of eloquence at the church tomorrow (Friday) night at 8 o'clock.

The world-wide Methodist tithing campaign is in full swing. It will be put on here in full force soon. Already reports have come in from every part of the world telling of thousands upon thousands now enrolled as tithers all over America, South America, Mexico, Central America, China, Japan, Korea, the Philippines, all over Europe and Africa, and thousands of our members in India, faithfully paying their tithes out of an income of six cents a day.

For pure and beautiful eloquence Doctor Jesse, who will appear in "Democracy, Divine or Devilish" at the church tomorrow evening, has few equals on the platform.

Some of the folks at Epworth league Sunday night thought the story of her experience of a quarter of a century as a tither by Miss Ella Ames was so wonderful as to be almost like a fairy story, but everybody knew every word she said was true. Those who are more familiar with the practice and experience of tithers know that Miss Ames' experience was very much like that of tithers everywhere. They all find that, with God's blessing upon their obedience to his law of the tithe, they are always having streaks of "good luck" as the world calls it, but which they know to be God's own special care for those who love and fully obey Him. God says "The tithe is the Lord's." Bring all the tithes into the storehouse and preva me... if I will not pour out a blessing that there shall not be room enough to receive it." And every one who makes the test finds it even so.

Do not delay till too late to get a ticket for Friday night. Space is limited. Tickets may all be gone if you do not buy early. They are going "like hot cakes."

Principle Follows Habit.
"Thrift is a matter of habit. To act from principle is hard, until it gets to be a matter of habit; then it is easy."—Dr. Frank Crane.

Farm Bureau News

C. E. WHELOCK of Libertyville, Ill.

Soy Beans

Soy beans furnish a variety of feeds, they are used for hay, silage, pasture and the seed is being used as a high protein concentrate to take the place of oil meal or cotton seed meal in the dairy ration.

Soy beans being of the legume family are also soil builders and when inoculated with the proper bacteria will take nitrogen from the air and store it in the soil.

Probably the greatest use that can be made of this crop here in the dairy section is to plant the beans with corn to be used for silage.

Protein feeds are the most expensive feeds used and are the ones we have to buy as we grow neither cotton nor flax from which cotton seed meal and oil meal are by-products.

Soy beans mixed with the corn help to balance the roughage and would consequently require less high priced protein feeds to make a balanced ration.

The success of the crop when used with corn depends to a large extent on the variety of beans used. There are a great number of varieties. Some make more growth than others and there is a lot of difference in the time it requires for different varieties to mature.

Beans used for silage should mature along with the corn. If too early the pods will ripen, the beans scatter out and many of the leaves fall off resulting in the loss of a large part of their food value.

If they mature later than the corn there will be no beans mature at the time corn is cut for silage and only a fraction of its mature value will be realized.

For very early corn the Wisconsin Black or Black Eye Brown are good varieties. The Manchou and Ito San are medium early and the A. K. and Mongol for later varieties of corn like Reed's Yellow Dent.

The amount of seed needed per acre when planted with corn varies from four to eight pounds depending on the size of the seed used. The smaller the seed the fewer pounds it will take per acre.

They are best planted with a special attachment made for that purpose. These attachments can be bought for about any make planter. It is not as satisfactory to mix the beans and corn as the law of chance will make it drop all beans some places and all corn in others.

When corn is drilled another plan can be used that takes a little more time but no cost for equipment unless

it should be a plate with smaller holes.

For those who would like to try beans on a small scale a part of the field may be planted to corn, then fill the hoppers with beans and go back over the old planter tracks drilling in the beans. This will give an even distribution of both beans and corn and would not take long to run over two or three acres a second time.

Soy beans should be planted shallow as they are easily broken off by having to push through hard or crusty soil, the depth of planting is important.

A recent letter from J. A. Hackel, man of the agricultural department at the Illinois university states, "There are no questions regarding the value of soy beans when added to corn silage for dairy cattle. I know of no experiment where it has not proved profitable and in a number of cases the experiment stations reported remarkable gains."

Ohio reports an increase of over two tons per acre over corn alone.

In northern Indiana a carefully conducted experiment showed a gain of two and one-half tons per acre. This increase means the addition of protein to the silage.

Soy beans do not wine like peas and so are not hard to handle when the corn is cut.

There is every reason to believe that they will improve our silage in both quantity and quality. A trial even on a small scale will demonstrate this value and can be done at small cost. Enough beans for an acre planted with corn should not cost more than 30 cents. Beans may be purchased through the Farm Bureau.

We will also be glad to help in getting figures on results.

Scarified Sweet Clover

Scarified sweet clover seed is seed that has been put through a process that scratches the hard outside covering of the seed which permits the moisture to soak in and the seeds sprout more evenly.

Better results may be expected on late plantings of sweet clover if the seed is scarified.

If the seed is sown before most of the freezing weather is over it seems to make little difference whether the seed is scarified or not.

Sweet clover is the cheapest of the clover seeds on the market, the price around ten cents per pound.

For quantity and quality it heads the list as a pasture crop. Sow it the same as red clover only use twelve pounds per acre.

Chicago Footwear Company Buys Own Building; for Town Improvement

T. G. Rhodes has just completed the purchase of the building now occupied by the Chicago Footwear Co. in Antioch.

In 1913 F. H. Rhodes, now deceased, bought out the store of Blunt and continued for two or three years at the original stand, and during the interval bought stores in different places, namely, in Chicago, Berwyn, Richmond and Riverdale, and in 1916 formed the Chicago Footwear Co. with headquarters in Chicago. Mr. Rhodes preferred to live in Antioch and run the Antioch store. He had able assistance in his brother who is sales manager of one of the oldest and largest Chicago shoe houses who are now celebrating their fiftieth year in business, and in that connection has been able both directly and indirectly to take advantage of opportunities to buy dependable merchandise at low prices.

In this way they have been able at all times to sell shoes at prices below their actual market value, especially during the war when prices were raised on shoes by leaps and bounds, the Chicago Footwear Co. took advantage of many early purchases and sold their goods at reasonable profits, and never at any time sold any goods at peak prices, because they had anticipated their wants in advance and were able to make reasonable profits at low prices.

Regardless of their early low priced purchases, when the slump came, they met all drops in prices and priced all their goods at market value regardless of the cost which would naturally leave no profit and some loss.

In the last two years the Chicago Footwear Co. on account of the conditions and the low price of forming products has sold the shoes without any profit and have been perfectly willing and satisfied to do this because the Chicago Footwear Co. knows that ultimate benefits will be derived by dealing fairly with their customers, selling them good merchandise at all times.

In 1916 Chicago Footwear Co. added

hosiery to their shoe stocks and are exclusive agents for the Armor Plate hosiery in the different localities in which their stores are located.

It is almost needless to say that the Armor Plate hosiery mills knit all their hosiery from the very best yarn that can be secured, dye them with the very best dye that it is possible to obtain, and make hosiery that give greater satisfaction than is general in high grade hosiery and excellent because every piece of yarn is tested in a process in the knitting which makes it possible to detect any slight imperfections while the goods are being manufactured.

This assures perfection in the manufacturing, dyeing, etc., making it possible for customers to buy Armor Plate hosiery with every assurance that they are buying the best the market will afford at unusually low prices, because the Chicago Footwear Co. are scientifically managed and eliminate all possible chance for waste or unnecessary expense, making it possible for them to do their business on a very low overhead expense, making it possible to meet any and all competition in their line, and be sure that the consumer is getting all his money will pay for at all times.

In addition to that, all shoes are fitted carefully with the view of future growth of children's feet, comfort and long wear for grown-ups.

The Chicago Footwear Co. take this opportunity to thank the community for their liberal patronage, and assures them that all goods sold by the Chicago Footwear Co. will be as low in price as it is possible to buy footwear of like value anywhere.

The Chicago Footwear Co. now stands ready and willing to put up a public drinking fountain in a convenient place in the village of Antioch to the general advantage of the public, entirely free of cost to the town of Antioch if the village will supply the water free of charge for the use of the public.

Respectfully yours,
T. G. Rhodes, Sec.,
CHICAGO FOOTWEAR CO.

MICKIE SAYS—

IT HAIN'T NECESSARY FER US TO SET ON TH' MOURNIN' BENCH WITH TH' PRICE CUTTERS BECUZ WE NEVER JOINED TH' PRICE BOOSTERS! ANY ADVANCES WE MADE ARE TOO SMALL TO BE SEEN WITH TH' NAKED EYE!!

Primary Election Village of Antioch

Notice is hereby given that on Tuesday, the 14th day of March A. D. 1922, at the Village hall, in the said village of Antioch a Primary Election will be held for the nomination of candidates for the following offices, to-wit:

Village Clerk.
Three Trustees for the full term.
Village Treasurer.
The political parties entitled to participate in said primary election are as follows:

Peoples Party.
Independent Party.
The polls of said election will be open from six o'clock in the forenoon and continue open until five o'clock in the afternoon.
Dated at the village of Antioch this 22nd day of Feb. A. D. 1922.
Harry A. Isaacs,
Village Clerk.

Ford Retail Sales Go Over Million

Retail sales of Ford cars, trucks and Fordson tractors have again exceeded the million mark for the year 1921, according to a statement given out recently by the Ford Motor company.

The Ford factory and assembly plant production figures reached a total of 1,050,740 cars, trucks and tractors for the year, with retail sales by dealers approximating 1,093,000, which in the United States alone surpassed the 1920 retail sales record by 104,213 Ford cars and trucks.

The Ford company says the outlook for 1922 is decidedly optimistic. In fact, concrete evidences already exist in that car and truck retail sales for December, 1921, exceeded December 1920 sales by almost 25 per cent, and Fordson tractor retail sales for the same periods show an increase of over 100 per cent for December, 1921, as well as an increase over the total tractor sales for the month of November.

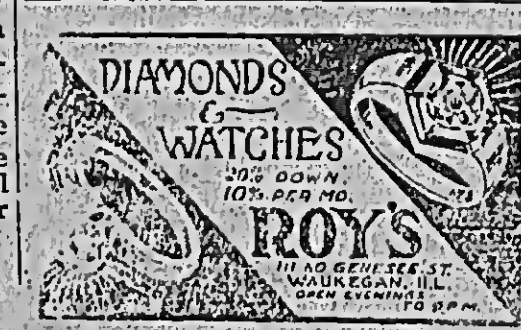

Another point brought out by a comparison of production figures for the past two years shows that Ford enclosed cars are gaining in popularity, as 23 per cent of the 1921 production were sedans and coupes as against a total of 18 per cent for the year previous.

Recent reductions in Ford cars and truck prices brought them to a new low level. The touring car now sells for \$348, the runabout for \$319, the coupe for \$580, the sedan for \$645, the chassis for \$285, and the truck for \$430, all f. o. b. Detroit.

This is the fourth price cut in the past sixteen months. During that time the price of the touring car alone has been cut from \$675 to \$348, a reduction of 40 per cent. Reductions on some of the other types have been even greater.

The Ford company believes that this reduction, while not a large one, is especially important at this time as it should go a long way toward stabilizing market conditions.

Ford is giving employment at present to approximately 40,000 men in his main plant at Detroit, the importance of which is emphasized when consideration is given to the fact that nearly 20 per cent of the city's population is directly dependent upon the Ford Motor company.

RURAL NEWS

LAKE VILLA

The tax books are now open at the bank and will be open till March 15. D. R. Manzer, cashier.

Paul Avery transacted business in the city Friday.

Jack Sink came last week from Burlington where he and his family have lived the last two months and shipped his household goods to Tallula, Ill., where they will make their future home.

John Walker, who has been very ill with pneumonia and under the care of a trained nurse is on the gain.

Dorothy D'Armond of the Lake County General hospital is improving and will be home this week.

Rev. Stevens, a classmate of Mr. McClosky at Garrett Biblical Institute was a guest at the parsonage over the week-end and occupied the pulpit Sunday morning. Our Junior girls' choir under the direction of Mrs. Truax, did exceedingly well on Sunday and we hope to have them with us every Sunday.

Mrs. Ella Doyment of Chicago is with Mr. and Mrs. Ben Hamlin.

Mr. and Mrs. Hooper had as guests last week Mrs. Hooper's brother, Mr. Teede and bride of Chicago, who returned Sunday evening.

Joe Eberler and wife of Chicago spent Sunday with the latter's parents.

Harry Stratton and wife entertained Chicago relatives over Sunday.

Ben Hamlin has recently purchased the three lots of the Lehmann estate on Cedar avenue, adjoining the Hussey property.

Mr. and Mrs. Frank Hamlin and Miss Harriet Miller were Waukegan visitors Saturday.

Our teachers are attending the mid-year teachers' institute at Waukegan this week.

We wish to correct a statement made last week that Mr. Cannon had bought the Shepardson house of Mr. Hussey as it was a mistake.

Mrs. Hussey has been quite ill the last week.

Mrs. Charles Glosser of Maywood spent from Saturday till Wednesday with Mr. and Mrs. Jas. Atwell.

J. D. Buford was a Chicago visitor last week.

Mr. Pearsall of Waukegan was here on business Tuesday.

Modern Woodmen had a splendid meeting Tuesday evening and had over seventy out, several visitors being present from Waukegan and Grayslake for the class adoption. Three drummers and three buglers from the Waukegan camp furnished music while the men gathered and the Waukegan team did the initiatory work. The local men served lunch and all voted that a very pleasant evening had been spent and another meeting of a like nature is being planned for the near future.

TREVOR

The Concert given by Kenosha talent at Baethke's hall Saturday evening received only a small attendance.

Harry Lubeno was a Kenosha visitor Saturday.

Mr. and Mrs. Charles Oetting and daughters Elvira, Beatrice and Adeline went to Chicago Friday to attend a reception given by Herman Oetting and wife, who with a sister will leave March 11, for a visit to their mother and other relatives in Germany.

Mrs. Florence Westlake went to Chicago Saturday morning to attend the marriage of her daughter, Myrtle, to George Schmidt. Fannie Bruel, a cousin of the bride and Harold Mickle, a cousin of the groom were the only attendants. They will reside in Kenosha where the bride has a position as teacher in one of the high schools. Mr. Schmidt is employed at the Brass works. Their many friends join in wishing them a long, happy and prosperous life.

Mayor Kruckman and family of Burlington called on Mrs. Kruckman's parents here Sunday.

The Funey Work club was entertained at the home of Mrs. Geo. Patrick Thursday evening.

Charley Hartnell of Salem and Pearl Longman were married in Waukegan Tuesday. They will reside in Salem, where Mr. Hartnell has a position in the milk factory.

Among those who attended the chicken dinner at Silverlake Washington's birthday were: Mesdames Jennie Booth Mabel Lubeno, Minnie Lubeno, Effie Mickle, Annie Smith, Luann Patrick, Bertha Oetting, Mildred Patrick and son Robert, Hattie Elson, Elizabeth Myers and Miss Sarah Patrick.

A large number from here attended the masquerade ball at Antioch Wednesday.

Sheep shearing is in progress at the Stock yards.

Henry Lubeno was a Milwaukee visitor Wednesday.

Among those who are sick with the chicken pox are: Myrtle Mickle, Janet, Lyle and George Mathews.

Mrs. Lawrence Peterson of Silverlake visited her sister Mrs. Byron Patrick Thursday.

The auction sale at Ira Brown's Wednesday was largely attended. Every thing sold at a good price.

Mrs. Harry Lubeno was a Chicago passenger Saturday.

Mr. and Mrs. Julius Abel of Chicago were guests of Lillian Baethke over the week-end.

Charles Oetting and family attended the band concert at Wilmet Saturday evening.

Henry Lubeno has a new Oldsmobile roadster.

The stork left a twelve pound boy at the home of Mrs. Will Murphy Monday morning.

George Patrick is sick with LaGrippe.

Mrs. Elizabeth Phillips was pleasantly surprised at her home Friday afternoon, Feb. 17, the occasion being her eighty-second birthday. About forty members of the Eastern Star chapter of Wilmet, of which Mrs. Phillips has been a member for many years came bringing many 'good eats' with them. The afternoon and evening were spent at cards and in a social way. Mrs. Phillips entertained her friends by reciting a couple of poems. Mrs. Phillips enjoys good health and is very active for one her years.

Mrs. Vera Dixon of Chicago spent over Sunday with her parents here.

HICKORY

Mrs. David Pullen and son Elmer motored to Highland Park Friday and spent the day with her parents.

Misses Irene Savage and Josie Mann visited at J. Savage's at Antioch Saturday and Sunday.

Mr. Ambrose Colegrove and sister Miss Edith are moving into rooms on the Jake Van Patten farm.

Elmer Pullen and Nels Neilsen left Monday for Kansas City, Mo.

Barney Nevelier visited over Sunday at Spring Grove.

Quite a number of children from the Hickory school have been absent the past week on account of sickness.

Mr. and Mrs. Will Thompson called at Wilbur Hunter's Sunday.

SALEM

The movies Saturday night were well attended.

Mr. and Mrs. M. Acker entertained relatives over the week-end.

Mr. and Mrs. Ray Paddock entertained relatives Sunday.

Mr. and Mrs. A. W. Foster of Kenosha visited Sunday with Mrs. Rosa Farrel.

Miss Tessie Farrel visited friends in Kenosha this week-end.

Mr. and Mrs. J. Klammer and Mrs. Frazier of Zion visited Mr. and Mrs. H. E. McVicar Sunday.

Mrs. A. Burdick and son Roy and H. Edwards visited Mrs. R. L. Smith of Zion Sunday.

Mr. and Mrs. L. McVicar were Kenosha visitors Friday.

Mr. Ed Van Alstine has been on the sick list.

Mr. and Mrs. H. Bairdow who have returned recently from a trip to Florida were out to their farm the last of the week.

The Ford tractor of A. W. Burdick and Son which was used at the demonstration held at Salem, being the oldest here and in constant use with little expense put out on it, will be used on the manure spreader next week. Who says the Fordson isn't all right.

WILMOT

Earl Swenson motored to Kenosha on Thursday.

Marie Mattern was home from Somers over the week-end.

Mrs. R. C. Shottliff and Harley returned from a visit with Mrs. C. Lester, of Oak Park, on Tuesday.

Arthur Holtdorf made a business trip to Milwaukee on Thursday.

Mrs. Friedland, of Evanston, and Emma Kruckman, of Kenosha, were guests of Mr. and Mrs. F. Kruckman the first of the week.

Will Hartnell, of Stacyville, Iowa, and Arthur Hartnell, of Salem, were entertained by Mr. and Mrs. E. Lonie one day last week.

Mr. and Mrs. F. Beck were in Kenosha on Thursday.

Laura Winn, who has been making an extended visit with relatives at Osage and Rock Falls, Iowa, returned home Saturday night. Mrs. Winn went to Iowa for a short visit last week and came back with her.

One of the largest sales ever held in the community will be at the Harry McDougall farm Saturday, March 4. Mr. McDougall is disposing of his entire stock of machinery and stock.

Roland Hegeman was ill several days last week.

Mrs. Guy Loftus returned home Friday from Burlington where she attended school for instruction for long distance telephone work.

Mrs. F. Westlake spent the week-end in Chicago and Kenosha.

Fannie Bruel was out from Chicago over the week-end.

Arthur Panknin and Charles Bruel were in Kenosha on business several days last week.

George Bruel was out from Chicago over the week-end.

Miss Hanson was in Milwaukee over the week-end.

Miss Jamison spent Washington's birthday in Madison.

Mrs. John Moran has been under the care of Dr. Becker this past week.

Vera Hegeman was home from Milwaukee-Dowager over Sunday.

Mr. and Mrs. M. Hodge, of Lake Geneva, were at E. E. Wright's on Sunday.

Mr. and Mrs. G. Dean entertained Mr. and Mrs. G. Dean, of Bassett, Mr. and Mrs. Luke and son, of Wheatland, Mr. and Mrs. B. Denn, of Silverlake, and Lillian Hanke, of Antioch, on Sunday.

Mrs. W. Winn and son, Mrs. L. Hegeman and Vera Hegeman motored to Kenosha on Saturday.

Grace and Blanche Carey were in Burlington on Friday.

Fred Schultz has moved from the village to Twin Lakes.

Mr. and Mrs. R. C. Shottliff spent Sunday with Mr. and Mrs. G. Higgins.

Mr. and Mrs. A. Winn and family moved to farm near Genoa the first of the week.

Mrs. Joe Bienie has been ill and under the care of Dr. Darby the past week.

Mr. and Mrs. Mack Carpenter, of Napoleon, Mich., spent several days last week with the former's relatives, Mr. and Mrs. James Owen.

Edna Lois spent Saturday in Kenosha.

A very pleased and appreciative audience that taxed the capacity of the Wilmet hall greeted the thirty-four members of the Wilmet band and their director, Clarence Wright, at their initial performance Saturday night. The members appeared in white suits and with their splendid new instruments made a very impressive showing. Five of the numbers of the program were given by the band. A remarkable record considering the length of the time the band has been organized and under the instruction of Mr. Wright, three months. The numbers were very creditably done and showed the splendid effort that both director and band members have put forth to make the organization successful.

Two numbers given by girls from the high school girls; a duet by Myrtle Carlisle and Mary Hoffman was very deserving of mention and a song by a group of girls. Several selections by members from the Holston band added greatly to the success of the evening. Mr. Burch, the solo cornet player from the Holton-Elkhorn band, was enthusiastically received and the Holton Saxophone Quartette played itself into instant popularity. C. E. Wright ably accompanied by Mrs. George Lewis on the piano gave an excellent rendition of the "Wanderer" on the trombone, for an encore they played "Morning."

Mr. and Mrs. Clarence Wright entertained for members of the Holton-Elkhorn band following the concert Saturday evening.

Margery Wright is the guest of Mrs. John Hodge, of Lake Geneva.

A wedding of interest to the Wilmet community took place at the Lutheran church at 61 street, Chicago, at 3 o'clock Saturday afternoon when Myrtle Westlake, only daughter of Mrs. Florence Westlake, and George Smith, the only son of Mr. and Mrs. August Smith, were united in marriage by Rev. Schuster. The young people were attended by a cousin of the bride, Fannie Bruel, and Harold Mickle, a cousin of the groom. Mrs. Smith is a very popular young lady in the community. A graduate of the U. P. high school and of the physical education course at LaCrosse normal. Since her graduation from LaCrosse Mrs. Smith has been a physical director in the Kenosha schools. The young couple will make their home in

Kenosha where the groom is an electrician at the Chicago Brass Co.

Antioch Holsteins

Officially Listed

In the latest "Reported Tests of Holstein-Friesian Cows," published bi-weekly by Malcolm H. Gardner, Delavan, Wis., superintendent of advanced registry of the Holstein-Friesian Association of America, W. H. Howe, of Antioch, Ill., has three of his pure bred registered Holsteins listed.

His best cow, Aggie Korndyke Beets of Maywood, is reported as having made at the age of nine years, a record of 483.7 lbs. of milk and 22.109 lbs. of butter fat, in seven days, equivalent to 28 lbs. of butter. Her 30 day record is 2002.7 lbs. of milk and 90.343 lbs. of butter fat, equivalent to 112.9 lbs. of butter.

Tecumser Ethel at the age of three years and ten months, is credited with 504.1 lbs. of milk and 18.917 lbs. of butter fat, in seven days, equivalent to 23.6 lbs. of butter. Her 30 day record is 2099.0 lbs. of milk and 78.130 lbs. of butter fat, equivalent to 97.6 lbs. of butter.

His last cow mentioned in the bulletin, Tecumseh Buttercup, at the age of three years and nine months, made a record in seven days of 509.1 lbs. of milk and 17.003 lbs. of butter fat, equivalent to 21.2 lbs. of butter.

Tests of this kind are supervised by one or more representatives from the dairy division of the college of agriculture, present at each feeding and milking, to weigh the milk and test it for butter fat content. A duplicate sample of this milk is forwarded to the state college, where careful check is made before the record is reported.

Frank O. Lowden, former governor of Illinois, is president of the Holstein-Friesian association of America. This association has a membership of over twenty thousand breeders in the United States, and is the largest pure bred cattle association in the world, representing nearly one-half million pure bred animals.

Beam Hill School

Mildred Gonyo, editor

The pupils of Beam Hill school held an entertainment last Wednesday. It was not very well attended on account of the bad weather.

Mr. and Mrs. Nelson Gonyo and Mr. and Mrs. King of Lake Villa, visited the Gonyo family Sunday.

We started our examinations Tuesday. The ice on the pond is like rubber and the boys have had wet feet and some fell through the ice into water up to their knees.

The school children will have Thursday and Friday off on account of the teachers institute.

John O'Brien left for Chicago Tuesday to visit his aunt Mrs. Sorenson.

Mr. and Miss Colegrove were dinner guests of Mr. and Mrs. Louchard on Sunday.

Glady's Bouchard, Richard and Mildred Gonyo were perfect in spelling for the month of February.

Mr. and Miss Colegrove have moved from their farm which has been their home for many years, to Antioch. The new tenants are Mr. and Mrs. John Palmer of Loon Lake.

Ruth Gonyo stayed over night at her brother's home Monday.

Adventure

YOU'RE HUMAN!

Like to all of us, romance, adventure sometimes calls to you. The desire to see things, do things that you know other people have done become an irresistible desire. How would you like to take that memorable trip through Africa—the trip that made Stanley famous and opened up the dark continent to the world? Remember how your blood tingled when you read the story; remember how you wished you could be one of those sturdy adventurers? Well, you can be almost. The plot of this story is so real, so true to history, so exact in atmosphere that you are unreasonably carried, forgetful of the present, into this glorious past.

Carl Laemmle presents

IT'S A UNIVERSAL

Don't Miss a Chapter—A Chuck run of miles

Marketing Co.

Proving to Be Complete Success

The first co-operative milk marketing organization to be established in Illinois in 1921 is averaging more than \$30,000 business monthly, according to its report preparatory to the first annual meeting in March.

The Stephenson County Co-operative Milk Marketing company was the first of five similar organizations established by the Illinois agricultural association. It started operation last August and has had success such as to indicate the future success of the co-operative dairy marketing operations.

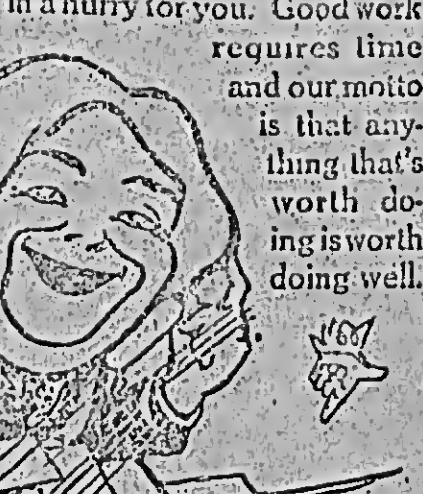

Other and like marketing companies have been established by the organization at Quincy, St. Louis, Mt. Carroll and Waukegan but only the one at St. Louis has been going long enough to start actual business operations.

The company is the owner of its own \$30,000 plant in which the county farm bureau has headquarters. Six hundred farmers of the community are members and stockholders in the Stephenson county company.

Average for the past two months indicate the handling daily in the plant and marketing of 85,000 pounds of milk. Each day 2,500 pounds of butter and several varieties of cheese are made and marketed by the company's salesmen.

Hey There!

How about your letterheads, billheads, statements, envelopes, cards, etc. Don't wait until they are all gone and then ask us to rush them out in a hurry for you. Good work requires time and our motto is that anything that's worth doing is worth doing well.
